

**INVITATION TO BID
POLYUREA MATERIAL
GRANT COUNTY, WASHINGTON**

Sealed bids for polyurea material bid PM 09-22-26 to be used for repair of cracked concrete canals will be received at the main office of the Quincy-Columbia Basin Irrigation District (District), P.O. Box 188, 1720 Central Avenue South, Quincy, Washington, 98848 until 3:00 P.M. on September 24, 2025. At that time the bids will be publicly opened and read.

The materials proposed to be furnished in the bid must meet the included specification for polyurea material. Bids must be accompanied by sufficient technical information to ensure the material provided meets the District specification.

Each bid must be submitted on the included Bid Form. Bids for polyurea material must include freight to George Watermaster Yard, 206 Frontage Road W, Quincy, WA 98848. The George Watermaster Yard is located next to the City of George and not in the City of Quincy.

Following the bid opening, all bids will be tabulated, checked and evaluated by the District. Tabulated bids will then be submitted to the District's Board of Directors for consideration of award at their meeting on Tuesday, October 6, 2026.

The District's option of an additional shipment at bid price will expire March 1, 2027.

The District reserves the right to accept or reject any or all bids, and to waive any irregularities as informalities in said bids.

For a copy of the Bidding Documents, contact the District Office at (509) 787-3591 Monday through Friday 7:30 A.M. to 4:00 P.M. All bids shall be clearly labeled "Polyurea Material Bid".
